Dear Sir/Madam,

**Ref: Extension of certain planning permissions
2016/92702 - Woodfield Park Sports and Social Club, Meltham Road, Lockwood,
Huddersfield, HD4 7BG**

Following our email contact please find the requested information below and attached for the confirmation of extension to the above noted planning application :

- the planning permission to which the application relates

**2016/62/92702/W - ERECTION OF TRAINING FACILITY BUILDING WITH ANCILLARY
SPORTS AREAS AND DEMOLITION OF EXISTING PAVILION at WOODFIELD PARK
SPORTS AND SOCIAL CLUB, MELTHAM ROAD, LOCKWOOD, HUDDERSFIELD, HD4 7BG**

- The condition(s) which set out the time limit(s) for implementation

**1. The development shall be begun not later than the expiration of three years
beginning with the date on which permission is granted.**

**Reason: Pursuant to Section 91 of the Town and Country Planning Act 1990, as
amended by the Planning and Compulsory Purchase Order 2004.**

(permission granted 17-Aug-2017)

- Any condition(s) or other agreements which relate to environmental mitigation or enhancement measures

**NO CONDITIONS OR OTHER AGREEMENTS RELATING TO ENVIRONMENTAL
MITIGATION OR ENHANCEMENT MEASURES**

- Whether the original permission was subject to an Environmental Impact Assessment and/or a Habitats Regulation Assessment, or screening for either type of assessment

**The original permission was not subject to an Environmental Impact Assessment and/
or a Habitats Regulation Assessment, or screening for either type of assessment**

Based on the above and the fact the site has not changed since the original planning application, it has been securely fenced and well maintained throughout, it would therefore have no requirement for either of the above noted requirements.

If you could confirm your agreement and that the planning approval can be extended as part of this scheme it would be very much appreciated.

Should you require anything further in the meantime please do not hesitate to contact me.

Thanks & Kind Regards
