Date:

To: The Chief Executive, Kirklees Metropolitan Borough Council

Electricity Act 1989: Overhead Lines (Exemption)(England and Wales) Regulations 2009

It is proposed to undertake the following work that is considered to be exempted from the Electricity Act 1989: Overhead Lines (Exemption)(England and Wales) Regulations 2009:

Establish a new terminal pole structure as shown on the attached plan, to allow for the removal of one associated HV Wooden poles.

Particulars of proposed development to be completed by Applicant:

In order to underground a span of HV Overhead lines crossing land at Spring Hall Farm, the Council is requested to indicate that it has no objection to the work being carried out with the Certificate completed and signed.

The Council/Authority is requested to indicate that it has no objection to the work being carried out with the Certificate completed and signed.

Yours Faithfully

For and on behalf of the Applicant

CERTIFICATE

TO BE COMPLETED BY THE LOCAL PLANNING AUTHORITY AND RETI
ELECTRICITY NETWORK COMPANY WITHIN SIX WEEKS OF RECEIPT
Kirklees Metropolitan Borough C

(i) does not object for the proposed development detailed above to be undertaker Overhead Lines (Exemption)(England and Wales) Regulations 2009.

(ii) does not wish the Secretary of State to consider the application using the full se 1989.

The Council has further comments to make in respect of this proposal

Nesting Birds

1. Construction works must be undertaken outside of bird nesting season (1st March – 31 must be undertaken within bird nesting season a survey for ground nesting birds must be within 48 hours prior to works commencing. If breeding birds are subsequently discovered, will be required until all young have fledged.

Adjacent Tree

2. An arboricultural method statement should be prepared to inform construction works in r the site. Northern Powergrid should liaise with the landowner regarding the constructic arboricultural method statement.

Representations

3. Redacted versions of the representations received are included in this response. No issues identified and aired therein, regarding the scheme as a whole, and in accordanc consents regime for overhead power lines.
