What Are You Applying For?

Are you seeking consent for works to tree(s) ☒ Yes ☐ No
subject to a TPO?

Are you wishing to carry out works to tree(s) ☐ Yes ☐ No
in a conservation area?

Identification Of Tree(s) And Description Of Works

Please identify the tree(s) and provide a full and clear specification of the works you want to carry out. Continue on a separate sheet if necessary. You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work. Where trees are protected by a TPO, please number them as shown in the First Schedule to the TPO where this is available. Use the same numbers on the sketch plan (see guidance notes).

Please provide the following information below: tree species (and the number used on the sketch plan) and description of works. Where trees are protected by a TPO you must also provide reasons for the work and, where trees are being felled, please give your proposals for replacing replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

Example: Oak (T3) - fell because of excessive shading and low amenity value. Replant with 1 standard ash in the same place.

6. Tree Preservation Order Details

If you know which TPO protects the tree(s), enter its title or number below.

T.P.O No 35 1989.

Trees T65 and T62 require limited pruning/thinning and in view of the high winds over the last 6-8 months need a specialist examination to ensure they are still safe.

Some branches from T65 are overhanging
both Fenny Lane and the next door drive and
garden and I think need to be removed.
Both trees are Copper Beech.

Trees - Additional Information

Additional information may be attached to electronic communications or provided separately in paper format.

A sketch plan clearly showing the position of trees listed in Question 7 must be provided when applying for works to trees covered by a TPO. A sketch plan is also advised when notifying the LPA of works to trees in a conservation area (see guidance notes). It would also be helpful if you provided details of any advice given on site by an LPA officer.
