Subject: RE: 2020/93230 79, Yew Tree Road, Birchenccliffe

Hi Sam thank you for getting back to me so quickly. I have had a look at the plans and they are much better than the previous plan. My only concern is my dog run for the dogs is right up to the boundary line on my side and if they have to dig the existing wall out it could cause some damage to the run, but apart from that I am happy with the plan
