Address of the site or building:	Land to the Rear of, 196, Cowlersley Lane, Cowlersley, Huddersfield, HD4 5UT
Postcode:	HD4 5UT

User comments

Type of comment: An objection
I feel I must voice my objections to this proposed building. The building is far too big, imposing and overlooking on private gardens and thus affecting its neighbor's privacy. Obviously included within this would be loss of sunlight from overshadowing, possible negative changes for agricultural past times, and maybe a pejorative effect upon wildlife (birds, squirrels, foxes, bats are all fairly abundant in the area). The proposed building is over bearing and I feel an over development, perhaps a more suitable suggestion would be a small bungalow? Previous planning applications have been disapproved including ones coming up to this properties land.
