Subject: Planning permission 2020/93308 LIDL New Hey Road Huddersfield

I support the above planning application:

1. The site is currently an eyesore and will benefit the aesthetics of the area
2. There needs to be more competition in the general area as both Sainsbury and Co-Op (Marsh) tend to be rather expensive
3. We are regular LIDL shoppers and have to travel across Huddersfield to shop, having a local LIDL will reduce our petrol use and also pollution.

Thank you
