Good Evening

I would like to email to say I fully support the application for the new Lidl store on the Spotted Cow site.

Building on Brown field is far better than building on our wonderful Green Spaces.

I understand they will not fell any trees, especially mature trees.

I understand the building will be built with sustainable materials and techniques, which will be better for the environment. All new buildings should be built this way.

Please consider this in a favourable manor.

Also, I would like to say, I am NOT in favour of any more building on Lindley Moor Road.
