Mr Christopher Carroll  
Planning Officer  
Kirklees Council

Dear Mr Carrol

Re:- 2020/62/93358/E Land East of Abbey Road Shepley

I support this application.

This area was designated for development in the Statutory Town Plan until it was temporarily suspended into Green Belt when the UDP was adopted in 1995.

Yorkshire Country Properties build in natural stone with stone slate roofs in keeping with our village. Their site in Netherthong, which I went to see, is an absolute credit to them showing caring detail to build a dry stone walled entrance which is very attractive. This would be a great improvement to the entrance to our village.

Yours Sincerely
