<p>I believe that the road entrance to the proposed property would stop car speeding on the dangerous corner on the main road.I also believe a new roundabout in the vaciinity of the new entrance to the properties would be a welcome health and safety consideration on a dual carrigeway that has seen many an accident because of the blind corner from the Dorchester Rd entry. The two proposed properties are Bungalows and would not cause any problems regarding vista's from adjoining properties. I would support this application on the above comments.</p>
