The plans are unclear in respect of the following - 1. Whether the extension comes up to the border of the property, and if not, how far from the border. If the extension comes up to the border then I object as it would limit any future use of the land. I also believe that it may breach the covenant on the land. I expect the applicant will look into this. 2. Whether there are any windows on the wall which would affect privacy and how this would affect privacy. If the windows are large and / or clear to view I would object on privacy grounds. Other than these 2 items, I have no other concerns.
