We think it's too big , there are no other 3 story buildings in the street! It only names 3 bedrooms but there are 4 more rooms on the next floor which could be used as bedrooms , also 3 kitchens . It seems more like flats than a single family home . It's out of proportion and not in keeping with the rest of the Avenue . I think it will affect the sunlight in neighbouring gardens and impact on privacy. Also I wonder how many cars would be present ?
