<p>I write to express concern regarding the above planning application.</p> <p>In my opinion the proposed development should not be allowed for the following key reasons:</p> <ul style="list-style-type: none">· The site is too close to Vicarage Meadow and would disturb the collective residential amenity.· The land slopes relatively steeply from Church Lane to Vicarage Meadow and the construction could disturb the water table causing drainage/subsidence issues.· The granting of permission could lead to other applications and thus increase the housing density of the neighbourhood to the collective detriment of Vicarage Meadow homeowners.
