Outline application for erection of residential development and formation of new access

Date Responded:26/07/21 Responding Officer:JR Responding Ref: TPO 21/89

In light of the additional arboricultural information, there are now no objections to the proposal, providing that the following condition is attached:

The development shall be completed in accordance with the advice and directions (recommendations) contained in the Arboricultural Method Statement, reference OWA084 AMS Rev.2. These shall be implemented and maintained throughout the construction phase and retained thereafter.

Reason: To protect trees in the interests of visual amenity and to accord with the requirements of Policies LP 24 and LP 33 of the Local Plan.
