Dear Sir/Madam
Please find attached the objection for the proposed extension/new build at 33 Hepworth Crescent, Holmfirth, HD9 1HU

Kind Regards

This crescent has never had any building extensions apart from conservatories and this could create a precedent for future planning applications and future disputes around the crescent.

This would increase the size of 33 Hepworth Crescent by over 100% and I suggest that this is not an extension but a new build and totally not in keeping with the area.

I know this is not an easy decision for yourselves but believe that allowing this decision would change the look of the crescent that has been standing the same way for 90 years.
