Heaton Avenue 18 dwellings planning reference 2018/93792 Condition 12

We will advise all suppliers at the appointment stage the accesses and egress route to the site. Each supply will be issued with the attached map showing the route from B6120 and the A643 east to west not west to east. This will keep all traffic away from the school areas for Whitcliffe Mount and Heaton Avenue Primary School, we will also advise that ALL deliveries must be made between the hours of 10am and 2pm Monday to Friday. This to avoid congestion at rush hour and maintain the safety at school pick up time and drop off. This requirement will be managed daily by the site manager to make sure the request is been adhered to.
