

Consultation Response from KC, Conservation and Design**2020/93921 Huddersfield Grammar School, Luck Lane, Marsh, Huddersfield, HD1 4QX****Installation of temporary grasscrete staff car park (within the curtilage of a Listed Building)****Date Responded: 07/12/20 Responding Officer: Craig McHugh Responding Ref: HUD 33/860**

The impact of the proposed development on the setting of Huddersfield Grammar School (former Royds Mount), which is listed grade II, has been considered and there would be no harm due to the temporary and reversible nature of the works. Conservation and Design therefore have no concerns about the proposed development on heritage grounds.

If the applicant wished to use the site for car parking long term, then a thorough assessment of the setting of the listed building and of alternative options would be required.
