Subject: Re: Tree works application

I would like the self sown rowan and cherry removed. The 3 branches and 1 dead branch on the sycamore cut back to the trunk. Hope this covers everything.

Good morning Ms Bowyer,

Thank you for your reply.

Apologies for not mentioning this in my previous email, but I've just noticed in your application form that there isn't a description of what works you are requesting for the trees. If you could reply to this email just explaining what you are wanting to do to the trees I will then be able to get this processed.

Kind regards,

Emma

Must have had a senior moment. It is Delamere, 15 Sunny bank Road. I don't know the owners name.

Good morning Ms Bowyer,

Thank you for your recent tree works application.

I just wondered if you would be able to confirm the tree location address, as in the above application form it says '15 Delamere' as well as '11 Sunnybank Road'. If you could confirm the full address I will be able to get this processed for you.

Kind regards,

Emma
