The adverse technical aspects of this development have been covered by those with more appropriate knowledge than myself. This is a personal and heartfelt opinion. I am 73 years old. I value my security. I value my privacy. I value my rural environment. This is my amenity. All of this will be taken away should this development continue. My home will be TOTALLY surrounded and overlooked by imposing, unattractive and inappropriate buildings, not in keeping with this picturesque Pennine hillside. A road will run DIRECTLY around the perimeter of my garden. The rural setting will become an eyesore. Noise, traffic, street lighting, pollution, on-street parking all adding to the discomfort of not only me but all residents on Lingards Road and surrounding areas. I believe the whole scheme would be inappropriate and totally insensitive to the needs of the local community.
