Postcode:	HD9 1QF

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
I've noted the changes on the new planning application but it doesn't change my mind from my original objection. The new plans still make the site over developed and still encroach on neighbours privacy. I also think the planning department should look at the effects this development has on the conservation and heritage of wooldale. I feel that because the works have already started without permission is wrong and should be addressed without hesitation.
