NATIONWIDE BUILDING SOCIETY, HUDDERSFIELD HERITAGE STATEMENT,
PROPOSED INSTALLATION OF NEW MARKETING SIGNS AND FINISHES TO EXISTING
NATIONWIDE BUILDING SOCIETY BRANCH
2 Kirkgate, Huddersfield HD1 1QH.

This statement has been prepared to accompany our application on behalf of Nationwide Building Society to carry out proposed works to the above premises. The proposed works include installation of new advertisement signage, fascia board with trough lighting and new projecting sign.

The building is GRADE II listed with in Kirkless Metropolitan Authority of Huddersfield. MARKET PLACE 1. 5113 (East Side) Nos 7 and 9 [formerly listed as Nos 7 and 9 (incorporating former No 2 Kirkgate)] SE 1416 NE 2/62 9.8.71. II 2. C18 or early C19. Hammer-dressed stone. Hipped slate roof. 2 storeys. Modillioned eaves cornice. Raised quoins. 4 ranges of sashes. Elevation to Kirkgate has 4 ranges of sashes, of which the east range is set back slightly, and of which one window is tripartite, but with one light blocked. Modern shop. Listing NGR: SE1451316717. First Listed on 09th August 1971.

No internal works are being proposed, only external works to the building are proposed. Existing fascia panels are to be removed and replaced with new powder coated aluminium panels, finish to match RAL 7031 with a 50mm decorative trim. Three number internally illuminated Nationwide Lozenges are to be installed over the two elevations, within the fascia panels, with the one on the Kirkgate elevation to be accompanied with non-illuminated white 'Building Society' text. Two number 600x600mm internally illuminated projecting signs are proposed over both elevations, within the fascia board. The existing white shopfront frames, pilasters and globes are to receive a new dark grey paint finish to match RAL 7026. All glazing is to be retained, but new manifestations/ graduated film or 'Building Society in Huddersfield' text is to be installed as stated on the drawings accompanying this application. The existing ATM shroud is to be removed and replaced with a new face-illuminated ATM shroud.

Access: Existing access to the property is being retained.

Fire Escape: Existing escapes are being retained.

Yours faithfully,

Elliot Dickson ACIAT
