

Consultation Response from Strategic Waste**8 Well Lane, Dewsbury Moor, Dewsbury WF13 3SP****Erection of a porch**

Date Response 15.12.20

Responding Officer WT

REF 2020/94134

There is on closed landfill within 250m of application address.

Lower Spen Valley landfill lies approximately 142m away at its nearest point, monitoring boreholes have not registered any methane since 2008 when a gas extraction plant was installed which runs continuously. CO2 levels have ranged from 0.1% to 7% v/v over the same period.
