I wish to object to the proposed plans for the following reasons: 1.The land is directly opposite a grade 2 listed building and would seriously impact it's position in the area. 2. The surrounding area is predominantly small,old cottages. This proposal is out of keeping with the predominant vernacular of the area. 3. Part of the land is hanging ground for the surrounding cottages and as such is common ground. 4. The proposed development is not on Penistone road but on Church Street and Sude Hill which will be impacted by the increase in traffic, Church St being a steep hill with poor to no sight lines at the top. 5. The area has little enough parking spaces for the residents and visitors to the Church and the Auction rooms. Sude Hill being very narrow at that point with pavement only on one side. Again parking on both sides of the road at these busy times means no sight lines for traffic coming up Church St. I hope you will take all these factors into consideration
