Address of the site or building:	Clough House, 236, Leeds Road, Birstall, Batley, WF17 0HW
Postcode:	YO26 8EW

### User comments

Type of comment: An objection
Clough House is a longstanding iconic building to Howden Clough. This building enhances the character and cosmetic appeal of the area, raising it above being simply another housing area of non descript buildings and is a focal point for the area. Losing this would destroy character of the Howden Clough area, and this I feel is important for the community to maintain this building and ensure it is protected.
