User comments

Type of comment: An objection
<p>To build 30 houses on this site would make a huge impact on the local area, with the extra traffic, especially on Moat Hill Farm drive, Clough drive & Leeds Rd/Howden Clough.</p> <p>Local infrastructure would also struggle to cope eg. Schools, Doctors, Dentists etc.</p> <p>Clough House is a property of local interest, and should be preserved.</p>
