Address of the site or building:	Clough House, 236, Leeds Road, Birstall, Batley, WF17 0HW
Postcode:	YO26 8EW

User comments

Type of comment: An objection
<p>My objection is to the opening of Moat Hill Farm Drive into Clough House for the majority of the traffic when there are 2 other options that could be used equally. The amount of Air Pollution and Noise pollution will be increased in the region of 100% with the new houses already erected cul-de-sac, which could have massive health and mental health implications. The plot should be broken down into 3 equal plots with 10 houses and their own entrance coming from Leeds Rd, Clough Dr, Moat Hill Farm Drive.</p>
