Address of the site or building:	Clough House, 236, Leeds Road, Birstall, Batley, WF17 0HW
Postcode:	YO26 8EW

### User comments

Type of comment: An objection
<p>This house is overlooking/adjoining mine, it would be a real disappointment for this house to be demolished.</p> <p>The traffic is already very busy within neighbouring streets ie clough drive/moat hill which would add to increased traffic. Parking is also an issue within Clough drive/moat hill already so i know added traffic would be extremely detrimental to the area.</p> <p>The added noise to the area will also be a massive disruption to many.</p> <p>Please rethink about building on this site and maybe think about restoring what is already there!</p>
