In these time, many pubic house, seem to close, for lack of business, over 11k have closed in the last 10 years. Some have been successful in takeaways & restaurants, but many have been turned to accommodation. This site for its location, is best and only suited for residential. The plans I've noticed are carefully designed & complement the the surrounding area. Well done to the new owners. More & more residential properties are needed in Kirklees's. Houses, flats & any sort of accommodation is a shortage. The 2 semi detached or 8-12 self contained flats are my view the best possible option for this site. Regards
