I object to this application due to another pub being closed and the new owner trying to make a quick profit. Pub's are vital to any community, it's a good social place to meet especially if you live alone there's always some company. What's the point of this application anyway the building is already boarded up and the interior is being ripped out & altered as I write. Such a shame as it was always a good busy pub with plenty of locals. Another nail in the Public house coffin. Pubs 0 Developers 1. R.I.P.
