Subject: 2020/94285 22-26 Wellington Road Dewsbury

Dear Adam,

Re: 2020/94285 Alterations to office building to form 20 flats and associated office space and laundry (Listed Building within a Conservation Area) at 22-26 Wellington Road, Dewsbury

In case this is not already going to committee, I wish to request a committee determination for this application as I am concerned about the small amount of

space in the proposed flats and effect this may have on the amenity of the occupants.

Kind regards,

Cllr Aleks Lukic
