Type of comment: An objection
I object to this development on the basis that the Shoulder of Mutton is the only pub in the village (indeed the only public building of any kind) and the village needs a focus for communal activity as well as drinking and dining out. There is a considerable potential clientele for the pub especially as there are a number of new housing developments in and around Briestfield; the recently-enlarged nearby village of Grangemoor has already lost two of its pubs and now really only has one. In addition, increasing interest in outdoor exercise and recreation around Briestfield including cycling, walking, running, riding and shooting will also benefit from the pub's facilities. Therefore loss of the pub as a result of its conversion to a residential-only property is unacceptable.
