The Shoulder of Mutton is the only remaining village asset. The application is wrong. The pub has been open and is lived in. It is complying rigidly with the Covid regulations, has been open when possible and has provided a very welcome, appreciated and busy takeaway restaurant service. The village is growing at a rate not seen in many years and the surrounding areas are developing. Over the past 40+ years we have lost all the beneficial facilities we had, e.g. village hall, shop, bus service. If the pub is redeveloped, we will have nowhere to hold meetings, social events or meet our neighbours.
