I object to this planning application as i feel the village needs to have a public house and this is the only public building left in Briestfield. I have been going to this pub for 45 years, along with many others from the village . Pubs like this in a small village are the heart of a community and i think do a great deal towards peoples mental wellbeing create friendships and help bond people together as a community . If we loose our last public building we will no longer be a village just a few houses near Thornhill.
