4. Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations? Yes No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Does the proposal consist of, or include, a change of use of the land or building(s)? Yes No

Has the proposal been started? Yes No

5. Grounds for Application

Information about the existing use(s)

5. Grounds for Application

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Proposal is using less than 16% of the total space around the house. Kirklees planning require no more than 50% of surrounding land to be covered in outbuildings.
Eaves are maximum height of 2.5 meters.
Not forward of the principle elevation

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use. Please note that following changes to Use Classes on 1 September 2020, the list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use. Please note that following changes to Use Classes on 1 September 2020, the list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

C3 - Dwellinghouses

Is the proposed operation or use

Permanent Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposal is only using a small amount of the total space of the land around the house. It would show very little change from principle elevation so as not to effect the visual appearance to the street. It upholds all rules as required as stated on the Kirklees planning website.

6. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

Yes No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent
 The applicant
 Other person

7. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

Yes No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title

First name

Surname

Reference

Date (Must be pre-application submission)

Details of the pre-application advice received

7. Pre-application Advice

In principle the proposal would be acceptable but would have to submit a certificate of lawful development to have a definitive answer.

8. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

Yes No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
