APPLICATION NO 2020/94418

Dear Sir or Madam I am writing
to protest the planning application
for 21 Hill Grove Lea
Salendine Wook Huddersfield
HD3 3YD I am not happy so I am
objecting to a building line with
over hanging of Roof encroaching
already I am faced with a mass of
blank wall Grabbing face The wall
sits on the boundary line so the
roof will over hang which will have
more bulk and also will have to
come on to my property to do the
maintainence work I have had a
word with Mr Meers and he
understands the problem so he
is going to have a word with the

[REDACTED]

architect then he will come back
with a proposal they are going
to keep in ~~best~~ touch with you
So please can you let me know
if they come up with any new
plans and send me a copy I would
be very grateful

yours obliged
