Whilst I do believe the building proposed would be convenient to many people, I have two main issues. The nature of the building is bound to attract unwanted antisocial behavioural issues, and I also have concerns regarding traffic. The two main bus routes in and out of leeds use the surrounding roads and traffic is already heavy in these areas around rush hour. I also fear for people's safety in regards to the traffic, as there are lots of school children of varying ages who walk home on these roads.
