<p>More traffic, late night noise disturbance, rubbish will be a problem. Parking for local residents will be a massive issue if customers can't get in to car park. Local small businesses will be affected. Worry for anti-social behaviour in the area which is already an issue. Not being able to have windows open or washing out due to smell that will come from the restaurant. Also a worry for potential rodent problems when food will be thrown on the floor instead of bins. Not to mention what will happen to local wildlife and landscape. Property prices will be massively affected and not in a good way.</p>
