User comments

Type of comment: An objection
<p>I object to this planning.</p> <p>This stretch of road already has traffic issues with how busy it is due to the petrol station/tesco and medical centre, how there are not more accidents due to this section of road i do not know.</p> <p>I use this road to commute and find it frustrating as it is.</p> <p>There is not adequate parking areas and i belive that it would cause serious problems for residents and other road users. The extra noise pollution would have a damning effect to residents.</p> <p>In part 24 of the application form the applicant answered yes without explaining, this lacks transparency and openness.</p> <p>There are far better locations in areas that require development.</p> <p>This is not one of those areas.</p>
