<p>I am concerned about the traffic in the area from people travelling to the prayer facility potentially multiple times each day as well as parking issues which may arise from the increase in vehicles in the area. I also feel that there is insufficient demand for such a facility in the area and there are adequate prayer facilities just a short distance away. I think the area would benefit more from facilities such as general stores which would support the elder members of the community reducing the need to travel into Dewsbury town centre resulting in reduced emissions from less vehicles on the road.</p>
