<p>The Road is an extremely busy road and is gridlock nearly everyday. It is a road with a busy bus route and is an important road for ambulance, police and fire engines to use as it is a major highway linking Dewsbury to Wakefield. There is no parking in the area as it is and I think this will attract crowds of users which will congest the streets even more and will back logging already gridlocked traffic.</p> <p>Safety is also a concern as there is a busy school on the next street not to mention a busy petrol station across the road which already can cause traffic jams due to people trying to access in busy time periods. I also think the development will effect the character of the area.</p>
