Type of comment: An objection
<p>I previously made an objection but today I have become aware that an Environmental report has also just been added to the application at a late stage. The report includes a condition about prayers if it is accepted. I also want to raise that the report has an error in that the town is Dewsbury and not Huddersfield. The report is also incorrect, the town is Dewsbury & not Huddersfield. The area is a majority non muslim community, Who I'm certain do not wish to hear Islamic prayers 4 times a day. This report had been added at a very late stage and other people will not have had the opportunity to see this who have already placed an objection. There are already approx 20 Muslim prayer facilities in the Dewsbury area and I object to another one which will have a noise pollution impact on a predominantly non muslim community.</p> <p>I strongly object to this proposal.</p>
