Subject: Re: Tree Work Application 2021/90110 - 8 Carr Top Lane

Good Morning Nick,

Thank you for the email and apologies for the confusion. It's not something I have done before so a little bit of a learning curve for me!

Steven Housecroft will be carrying the work out (if approved) but I am making the application directly. He has viewed the tree and provided some advice.

I personally would like to remove 5 branches in full, Steven however recommended the 20% Crown Fin.

So if you would approve the removal of five branches please proceed with this. This is the ideal scenario.

Please let me know if you need anything else.

Thanks,

Helen

Dear Mrs Gledhill

I am writing to ask that you provide clarification regarding your application to work on a Sycamore at your property. The documents submitted for your application can be viewed online at

<https://www.kirklees.gov.uk/beta/planning-applications/search-for-planning-applications/detail.aspx?id=2021%2F90110>.

Firstly, please clarify if Steven Housecroft is your agent for this application, if so we will send any future communication via Mr Housecroft. If however Mr Housecroft has provided some advice but you are applying directly we will remove the reference to an agent on your application.

Secondly, please clarify what work you are notifying the council it is your intention to carry out. Your application form provides two perhaps conflicting descriptions. Could you clarify if it 1 or 2 or both of the descriptions below that you wish to carry out:

1. Removal of 5 tree arms + branches from one tree...
2. 20% crown fin, crown clean + lift

Once I have some clarification on the points above I will be able to progress your application.

Regards

Nick Goddard
