Application number 2021/90129

With regards to the above planning application.

Whilst we are not opposed to the erection of a double extension at 136 Hunsworth Lane. We would be opposed to building work taking place or continuing after work hours into the evening and at weekends. Also we would be opposed to skips and vehicles of construction workers parked behind this property on Greenwood Avenue. This is due to Greenwood Avenue already being congested by other persons parked vehicles, and at times causing an obstruction to residents driveways.
