

About the application

Application number: 2021/90209	
What is the application for?:	Erection of detached dwelling
Address of the site or building:	adj, 18, Wells Road, Thornhill, Dewsbury, WF12 0LE
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
Wells Road being a no through road with a small turning area at the bottom is already past saturation point for on street parking. Wells Road narrows with existing residents vehicles often causing delivery vehicles to not attempt to squeeze past to the turning area and instead use my driveway to make their turn. There have been a number of occasions where these vehicles have caused damage by hitting the drive wall. With one vehicle reversing on to my property and almost hitting a family member! Also increasingly vehicles are parking outside my house to visit neighbouring properties further down Wells road, in itself not an issue, however i am again suffering damage to my property by vehicles mounting the pavement and driving onto my unwallled garden area. The proposed new property in question will without any doubt add to the above issues. I note the hard standing on the plans show two parking spots but is barely wide enough for one modern car, with two vehicles parked side by side i can only assume one driver will be exiting his vehicle via the sunroof. The reality is there will be vehicles from that property permanently parked on road and Wells Road cannot cope with any more vehicles.
