

**Consultation Response from KC,
Conservation and Design****2021/90288 70, Slades Road, Bolster Moor, Huddersfield, HD7 4JR****Erection of greenhouse (Listed Building)****Date Responded: 16.02.21 Responding Officer: NG Responding Ref: CV 2/437**

The proposed structure would be located to the rear garden of the Mid-C19, hammer-dressed stone property which is orientated to the east and Slades Road. The garden structure would be located in the rear garden (west) and have no adverse impact on the understanding, experience or appreciation of the listed building. The proposal accords with Local Plan Policy LP35 and the NPPF, and consequently the application is supported.
