

**Consultation Response from KC,
Trees****2021/90584 Brookes Mill, Armitage Road, Armitage Bridge, Huddersfield, HD4 7NR****Change of use and alterations to Mill Building 29 to form Wellness Centre (Listed Building
within a Conservation Area)****Date Responded: 05/05/21****Responding Officer: Nick
Goddard****Responding Ref: CA27**

As per previous,

The trees whilst forming an area of establishing tree cover is not part of the woodland adjacent and is not visually prominent to the wider setting. The removal of trees, from a public amenity perspective would be mitigated by the proposed planting scheme and therefore I would have no objection to the proposals.
