Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
I am submitting an objection to the proposed development and hope you strongly consider the below point 1) The window proposed in the side of the rear elevation, would result in overlooking of the neighbouring property and would result in a loss of privacy. There is no requirement for windows on the side of the rear elevation as the proposed plans show alternative means of light into rooms from rear windows/folding doors. To permit this would be contrary to LP24 of the Kirklees Local Plan and advice within chapter 12 of the National Planning Policy Framework; as detailed in previous planning applications for this dwelling. The proposed development is not acceptable for the reasons cited above Thank you
