AOS. 27. RILEY PARK.
WIRKBURTON

22, LAWTOWN
WIRKBURTON HUDDS.

Dear Sir or Madam..

4.4.2021

We wish to make a clear

objection to the proposed erection of the detached dwelling on land overlooking our property. 22, LAWTOWN WIRKBURTON,

The proposed development would significantly reduce our privacy due to the windows being installed which would overlook our Bedroom and garden area; this would have the result of reducing the price of our property on the open market should we wish to sell in the near future.

We trust also there has been a thorough investigation on the land the property will be erected on, due to the possibility of subsidence or landslip.

Yours faithfully
