After reading the plans for 2 dwellings opposite my home I would like to object to these for the following reason. 1. Valley road and Thomas street are two very busy streets and been retired I witness many incidents that are traffic related. The roads are very congested and used as a through way. 2. Parking is very limited due to most of the homes been family homes with a minimum of 2 cars per household. 3. The air raid shelter is a listed building and part of the war that we used when I was younger therefore it should remain part of our local community as we don't have many left. 4. The trees on the land are mature trees and it would be a shame to see these go when they help with the flooding from the beck. 5. Noise and disturbance, I am an 86 year old lady the noise that building the 2 homes would cause me great distress. 6. The 2 properties are directly opposite me and would prevent sunlight. 7. They would also infringe on my privacy. 8. As a local community we have cleaned and maintained the land for over 20 years and it would be a shame to see the green land go and the birds no longer in the trees. Kindest regards
