I oppose the planning application 2021/90731 for the following reasons : : Noise (my husband works nights and he sleeps during the day) : Privacy Issues : I have a daughter who plays outside exactly opposite where the proposed building is to take place : The threat of traffic : The blockage of natural sunlight : The path is a through road(people need to get in and out) : Rats : Danger to our pets : Flytipping : The threat of rubbish being dumped here, there and everywhere outside : Workmen walking in and out of my garden because it's not fenced off : General disruption
