<p>1. Still too many dwellings: I'm happy for a small number of dwellings to be built, but in my view, the plan is still for too many dwellings & cars. If this goes ahead there will be even more traffic & I don't think the local roads can take any more.</p> <p>2. The increased number of cars will cause a serious risk to safety. The roads are very narrow, the walk to Hinchliffe Mill Primary school is dangerous. Traffic has increased significantly over the last few years, I cannot sit back & let this happen, the risk to safety, particularly to children is just too high.</p> <p>3. Access Roads to the dwellings: Access roads are very narrow, how will services access the houses, let alone emergency vehicles?</p>
